Training for groups of 2 to 4 participants from the same organization get a discount (@ the Group Rate); groups of 5 or more are arranged individually. All fees are based on the training that each individual completes; group discount rate applies only when more than one person completes the same training at the same time. Groups can arrange a course based on their own availability by paying the participant training fees (@ the Group Rate); instructor's fees (1-3 instructors - 5 or 6 participants per instructor) plus travel expenses and providing the site as well as covering other incidentals (meals, A-V and other rentals that may be needed).

Click on the '**Find Out More**' button to contact us for more information.

* Initial year 1 software license is included in the cost of each individual's training and is provided upon demonstration of participant proficiency. Successful completion of training is mandatory to insure program fidelity, but there are no special educational prerequisites for participation. **FS^** Completion of FallsTalk training and demonstration of mastery is required before FallScope training can be undertaken. **FS+** FallScope proficiency is required for Advanced training.

Continuation Subscriptions

** Software and training updates, as well as user support are part of the annual subscription fee for users who have successfully completed the appropriate training.

*** Annual subscription fees are based on the number of authorized users at the organization/site and the program components included.

^^ The Annual renewal subscription fees for those organizations with more than 10 trained users will be established on an individual basis.
